# GEORGIA BIKE LAWS

In Georgia a bicycle is legally a vehicle, which means general vehicular traffic laws apply

**SIGNS & SIGNALS:** Bicyclists must obey all traffic signs and signals. Always signal your intentions when turning or stopping

**LIGHTS:** At night, the front of a bike must have a white light visible from 300 ft. The rear, a red light visible from 300 ft or a red reflector

**CHILDREN:** 16 & younger must wear a helmet

**RIDE RIGHT:** Ride as far to the right as practicable, except when turning left, avoiding hazards, or when the lane is too narrow to share

**BIKE LANES:** Ride in the same direction as traffic, even in bike lanes

**BRAKES:** Must have brakes that make wheels skid on dry pavement

**SIDEWALKS:** May not ride on sidewalks

**INSURANCE:** Not required, but uninsured motorist coverage strongly recommended
